

EXPLORER 500

Magnetic USB strap

INCREDIBLE AUDIO AND SMARTPHONE VOICE CONTROL

Packed with the latest audio technology, the Plantronics Explorer 500 Bluetooth® headset helps you stay focused on life instead of your phone, delivering certified HD Voice clarity to your calls and interactions with Siri, Google Now, and Cortana. A power-saving hibernation mode keeps your headset charged longer and the magnetic USB strap keeps your headset within reach when looped to a bag or keychain.

FEATURES

- Certified HD Voice clarity
- Voice control for Siri, Google Now, and Cortana
- Hear your music, GPS directions, and more
- Connect two smartphones and answer calls from either one
- USB strap loops closed with magnets
- Three language options for status alerts
- Designed to comfortably fit either ear
- DeepSleep mode extends battery readiness
- On-screen headset battery meter
- Free Plantronics apps enhance experience
