 Skype for Business

# When Business Demands The **Best** Performance

DW Office ML

 **SENNHEISER**  
The Pursuit of Perfect Sound

Note: Neckband available as accessory

## DW OFFICE ML

DW Office ML is a single-sided premium wireless DECT headset for quality-conscious business professionals demanding exceptional performance and supreme comfort. Certified for Skype for Business and designed for all-day use, the DW Office ML connects directly to desk phone and Skype for Business via PC to deliver excellent sound quality around the office. The iconic design of the DW Office ML puts it in a class of its own.

### Sound leadership

Featuring Sennheiser Voice Clarity and a noise-cancelling microphone, the DW Office ML gives users a natural listening experience while maximizing speech intelligibility for both speaker and listener. Advanced wideband audio and DSP (Digital Signal Processing) ensure clear, detailed sound for a better conversational experience in noisy working environments.

### Quality design

With its award-winning iconic design, the DW Office ML stands out for style and performance. From its distinctive base station, with simple setup and intuitive user interface to its lightweight headset, the DW Office ML is designed to both look good and provide all-day wearing comfort.

### User focus

DW Office ML is designed to maximize productivity and flexibility in busy offices

with its long distance wireless range up to 180 m (590 ft) with line of sight and 55 m (180 ft) in a typical office environment. A DECT protected frequency band eliminates interference with WIFI networks and efficient encryption ensures secure conversations. One touch switching between desk phone and Skype for Business, easy call management, convenient phone conferencing and hot desking offer maximum flexibility.

With 8 hours wideband and 12 hours narrowband for a full workday of talk time, the DW Office ML features intelligent fast charging, which delivers 50% in just 20 minutes. ActiveGard® provides protection against acoustic injury and a volume limiter guarantees a safe sound level at all times. The FlexFit™ wearing style system offers the choice between a headband, ear hook or neckband\* solution for the perfect customized fit.

### Features and Benefits:

- Sennheiser Voice Clarity – wideband sound for natural listening experiences
- Dual connectivity – one touch on the base station switches between desk phone and Skype for Business via PC
- Certified for Skype for Business – for maximum productivity
- Noise-cancelling microphone – for speech clarity

- Digital Signal Processing for echo cancelling and audio equalization
- Iconic design – form and function combine for premium looks and performance
- Perfect customized fit – with the FlexFit™ system, offering 3 wearing style solutions. Choose between headband, ear hook or neckband\*
- Lightweight headset design for all-day comfort
- Simple product setup with DIP Switches
- Intuitive user interface with answer/end\*\*, microphone mute and volume +/-
- Full workday of talk time – 8 hours wideband and 12 hours narrowband
- Intelligent fast charging delivers 50% in just 20 minutes
- DECT protected frequency band without interference with WIFI networks
- Efficient encryption for secure conversations
- Long distance wireless range – up to 180 m (590 ft) with line of sight – 55 m (180 ft) in typical office environment
- Hot desking with fast, secure pairing – simply dock in the base station
- Phone conferences – intuitive & easy setup of up to 4 headsets with same base station
- ActiveGard® technology – protects users against acoustic injury caused by sudden sound burst on the line
- Two years warranty for peace of mind

\* Neckband available as accessory

\*\* Answer/end call requires EHS cable for desk phone

## Experience Sennheiser

Perfection is always relative: Users have different expectations from their headsets and speakerphones depending on their needs. For professional users, that need is to communicate as effectively as possible.

With Sennheiser's range of headsets and speakerphones, the combination of exceptional HD sound, quality design and build – and a focus on real life usability – give the best performance possible in busy offices, call centers and Unified Communications environments.

Please visit us at: [www.sennheiser.com/cco](http://www.sennheiser.com/cco)

Sennheiser is one of the world's leading manufacturers of headphones, microphones, wireless transmission systems and high-quality headsets for both business and entertainment.

Drawing on the electro acoustics expertise of Sennheiser and the leading hearing healthcare specialist William Demant, Sennheiser Communications' wireless and wired headsets and speakerphones for contact centers, offices and Unified Communications professionals are the result of Sennheiser's and William Demant's joint leadership in sound quality, design, wearing comfort and hearing protection.
